Important paragraphs

"Technology"

I love technology. My favourite hobby is playing video games. I usually play them on my laptop but sometimes I play them on my mobile phone. I'd like to spend all day playing video games, but I have to go to school. My favourite lesson is computer studies- At break, I look at websites for new video games. Another thing I like to do about technology is making video calls. Video calls have become very famous. I can communicate with people all over the world in this way. Video calls make me feel that the person I speak to is with me!

"Which do you like more, nature or technology ?"

I love nature. I like walking and watching trees, animals, flowers and insects all around us. I don't like being in the house; I like being in the garden and looking at the sky. At school, I always go outside at break. I go when it's very hot or cold ! When I look at the sky, my eyes feel better. When I have fresh air, my body becomes active. Nature is a great thing because God has given it to us. I think we should save nature and not to do anything bad to it.

"Your favourite place"

Egypt has many interesting places to visit. The Pyramids in Giza is my favourite one, A lot of tourists come to see them. The Pyramids were built thousands of years ago. They were built to bury kings. The Great Pyramid is 137m high. There are a lot of souvenirs and other good presents to buy at the Pyramids, I also can see that a lot of tourists like to buy souvenirs there. This place has taught me that the ancient Egyptians were great people.

"How to keep safe online"

When you are online, you need to follow some rules to stay safe. First, keep your password secret. Don't make friends with people you don't know online- Don't tell people your personal information. Don't send photos to people you don't know. If you are worried about something, tell a parent or a teacher. Don't answer a phone call or a video call from someone you don't know. You must be very careful on using modern technology. You must also keep your address, password and telephone number secret.
